Request to Terminate

NOV 18 2002

Dear Chairman. Keese,

RECEIVED IN DOCKETS

Pursuant to the provisions of Title 20, California Code of Regulations, the Roseville Energy Facility L.L.C. (REF) filed an Application for Certification at the California Energy Commission (CEC) on August 10, 2001. REF is a wholly owned subsidiary of Enron North America Corp. (ENA) who filed for bankruptcy on December 2, 2001. Unfortunately, ENA was not able to secure funding and therefore in accordance with Title 20 of the California Code of Regulations, Section 1709.8 requests to terminate the REF project effective immediately.

I want to thank the CEC Committee and Staff for the professional manner in which the REF case was evaluated. I look forward to working with the CEC Committee and Staff on a future project.

As an officer of Enron North America Corp., the sole member of Roseville Energy Facility L.L.C., I hereby attest, under penalty of perjury, that the contents of this notice are truthful and accurate to the best of my knowledge.

Dated this 18th of November 2002
